FELICITATION FROM THE PRINCIPAL

Beloved students and members of all faculties,

Education to me is about 'Learning for self and acquiring the wisdom of life'

We wish the blessing of God always showers upon our management, faculties and students so as to enable them to continue working hard towards the betterment of the society. We are confident that the college, with its rich legacy, besides being blessed by his divine hands, will be able to contribute richly in shaping young minds, thereby resulting in national development.

True excellence can only be found in Christ. From an educational perspective, I am passionate about doing everything to the best of our ability. We believe education alone will not provide us with the wisdom we need to make right choices in a rapidly changing world. We recognise that God is the source of all wisdom, and we are therefore committed to a high standard of education that is based on the values we know that can weather the storms of life.

May God grant your heart's desire and fulfill all your plans. Psalms 20:4

To uphold the dignity of women and to emancipate them through education, he founded the Congregation of the Franciscan Sisters of the Immaculate Heart of Mary. Idhaya College for women is the outcome of his vision and mission. With their lives marked by total faith in God, self abnegation and dedication to the cause of education, the sisters of this congregation contribute their best to make Idhaya College as number one in Sivagangai District.

A close scrutiny of the college emblem will disclose lot of information. To foster faith in Christianity, religious classes are conducted for the catholic students. To inculcate moral values, value education classes are conducted for the non catholic students. Both classes are obligatory.

Gathering bookish knowledge does not make the collegiate education complete. Students must be taught the importance of service to the society. Our college can boast of plethora of clubs and NSS. Enrolling themselves in any one of these service oriented clubs is a must for a students.

Thus Idhaya College at Sarugani translates into reality of our founder servant of God Louis Savenien Dupuis. Our education in this sovereign institution will make the students perfect and successful women who can stand on their own legs.
